Scouts from throughout the diocese recently joined together for a two-day hike and retreat to earn the El Camino Real Award. Shown here at Eagle Rock near Warner Springs, the group also visited several missions and learned about the lives of the early Padres and Native Americans.

Thanks to CCS committee members Tom Ritz, Bob Dixon, Paul Melcher, Joe Giammarinaro, and a great support staff for organizing this event. Special thanks to Santa Ysabel Mission's Rev. William Kernan for his support of the program.

The Suggestion Box

The Catholic Committee is looking for program ideas that will help support our scouts into next year! Please let us hear from you- a survey is available on the CCS website homepage at ccsbsa.org. Submit your ideas before our May 19th meeting!
